Hi GianAngelo,

Thanks very much for writing. I am sorry to say, but my Italian is very poor. I very much appreciate your offers and would gladly participate in book readings, but again, I do not speak Italian with any competence. I can, however, proudly order myself a pizza!

As for "Bulletproof Vest," I'd be happy to sign it. Would you prefer mailing it to me in Italy and I can sign and return?

Best wishes, and thanks so much for contacting me.

Ken
