Dear Mrs. Annika Pontikis,

I am an Italian journalist, I collaborate with the “Associated Press” agency and other national and foreign media. On my website (<https://www.gianangelopistoia.eu/> ) I maintain a section dedicated to museums and art exhibitions: (<https://www.gianangelopistoia.eu/personaggi/worlds-museums-and-exhibitions>).

I am currently working on articles on the “Nobel Prize Museum” for the Italian public. For this I ask for an online interview – using “Google Meet” or similar applications – with the CEO and Museum Director Erika Lanner.

Could you forward this request to Mrs. Erika Lanner? If my request is accepted, please give me information on the methods in which you prefer to operate (calendar, times and methods of the interview).

I look forward to your response, hopefully positive.

Thanks for collaboration.

Sincerely,

GianAngelo Pistoia

Dear Gian Angelo Pistoia,

Thank you for reaching out to us and sorry for the slow response from our side.

How great that you are working on an article on the Nobel Prize Museum in Stockholm.

Do you already now know where it will be published?

Erka Lanner will unfortunately not be back from her summer holiday until 15 August, but I will ask our Head of Press, Rebecka Oxelström, to look into the possibilities of an interview when she is back in the office next week.

Kind regards,

Annika Pontikis

Dear GianAngelo,

I will be happy to arrange for a meeting with Erika Lanner later this year. Please just let me know when you will be coming and what time that will suit you for an interview.

Thank you also for sending the article.

All the best

Rebecka
