Dear Mrs. Gitte Skilbred,

I am an Italian journalist, I collaborate with the “Associated Press” agency and other national and foreign media. On my website (<https://www.gianangelopistoia.eu/>) I maintain a section dedicated to museums and art exhibitions:

(<https://www.gianangelopistoia.eu/personaggi/worlds-museums-and-exhibitions>).

I am currently working on articles on the “Munch Museum” for the Italian public. For this I ask for an online interview – using “Google Meet” or similar applications – with the Director Stein Olav Henrichsen.

Could you forward this request to Mr. Stein Olav Henrichsen? If my request is accepted, please give me information on the methods in which you prefer to operate (calendar, times and methods of the interview).

I look forward to your response, hopefully positive.

Thanks for collaboration.

Sincerely,

Gian Angelo Pistoia

Dear GianAngelo,

Thank you for your interest in our museum!

I will come back to you with a date for a video-interview with Stein Olav.

Do you have a preferred time later in August?

All the best.

Best wishes.
